

REV Clinics

The REV clinics consist of 6 hour-long sessions during the month of September. They will be broken up into separate groups for U10 and U12/U14 skaters. Cost of the clinic is \$70 if paid via on-line registration, \$80 if paid before the first session, or \$20 per session.

There will be a check-in procedure in place at this year's clinics. Please make certain that your daughter is pre-registered or has a check (made out to "EVHA") for the required amount at check-in. No one will be allowed on the ice that has not checked in and no one will be allowed on the ice that has not paid.

U14 October Clinic

Since the U14 situation does not typically resolve itself until November, REV will offer a U14 October Clinic to keep the U14 skaters legs fresh. There will be 6 sessions which will be offered during the month of October. All will be non-MEA ice times.

We will alert all girls signed up for U14 about the cost and sign-up procedure towards the end of the September clinics.
