Approval of Minutes (Beth Berger) – October 24, 2007 minutes were approved.

EVHA Equipment (Lynn Schleichter) – Lynn will be resigning as Equipment Manager at the end of the season. In the future, if equipment is checked out, a deposit will be required by the coach/team. It was suggested, that for the Squirt C teams, a silk screen jersey be ordered instead. In addition to the cost, the turnaround does not allow enough time to get jerseys to the players once teams are determined and the first games.

Jr. Gold Ice (Jeff Tuthill/Butch Handahl) –Over history, EVHA has provided the ice for the Jr. Gold B team and AVHA has provided the ice for the U16 team. Based on the numbers this year, there is only one team, a Jr. Gold team and Eastview is providing all the ice. For the second year in a row the number of Eastview players on the team is minimal. In the future, we will ask AVHA to share ice in this situation.

Pull Tabs (Jeff Tuthill) – Liz Reyer will take the class and test in January.

Ice Coordinator (Butch Handahl) – Butch is working on schedules for January – March. Weekday ice is very limited in January and February. Beth will manage the outdoor ice this season. Butch and Jeff plan to meet with Jon Balvance at St. Thomas Academy to discuss our contract.

District 6 (Dave Bernhardson) – remind all coaches that only rostered players can be on the ice with a team. Neck guards may not be required in the future because there are studies where they can cause injury. For right now, they are still required.

Mites (Chris Carlson) –the game draw is Nov. 29. We have a sponsor again this year supporting the Mites.

Next meeting: December 19, 2007

Adjourn: 8:52pm
