DISTRICT 8 RULES AND REGULATIONS (Youth Junior Gold and Younger) (Girls 19 & Under and Younger) Includes Revisions as of August, 2010

DISTRICT 8 WAIVER PROCEDURE POLICY

District 8 has adopted the following procedural policies:

1. District 8 follows Minnesota Hockey Youth Rules.
2. The decision to approve a waiver is up to the releasing or receiving presidents of the associations involved.
3. If both the releasing and receiving associations agree to the waiver of the player, the signed waiver must be approved by the cognizant district director(s).
4. If the waiver is not signed by either the releasing or receiving association, a player may appeal to the District 8 Director.
5. The District 8 Director will issue his ruling. Appeals will be judged solely on the betterment of the players hockey ability with consideration for the good of both associations.
6. Appeals will be denied until the player has gone through the tryout process in the players association of residency. The player must go through the tryout process in the players association of residency.
7. DO NOT register a player that is not from your serving area and then request a waiver. All waiver requests must be submitted before a player is registered. NONE will be approved after the fact. This includes Mites and Mini-Mites.

existing agreements or established practices prior to September 1, 2008.

(Girls 19 & Under and Younger)
Includes Revisions as of September, 2009

For the purposes contemplated in these rules and regulations, Youth Midget and Youth 16 & Under divisions follow all provisions specified for the Youth Jr Gold Division. MH strongly recommends that playing rules as written by an association and/or district league rules should reflect the written reason for any different treatment between Youth and Girls teams of similar competitive playing levels. These rules should be based on fact (not opinion) and reflect the reasons why teams are treated differently. This includes any voluntary waiver of equitable treatment by the affected team or teams.

I. TEAM REGISTRATION

A. Team Rosters Affiliates must complete a USA Hockey Roster Form for each team and submit along with proof of date of birth, proof of legal residency for non-US citizens and other required documentation (refer to paragraph entitled Credentials hereinafter) to the USA Hockey Registrar or designee for approval.

B. . Each team must be registered through the affiliate where 80% or more of its players are members. Exception: In cases where two or more affiliates enter into an agreement to combine their players in an age division for the purpose of forming teams in one or more competitive classifications, the 80% criteria shall not apply if such agreement has been pre-approved by the cognizant District Director(s) and the USA Hockey Minnesota District Registrar.

C. The MH regular season begins September 1 and extends through the completion of all MH youth and girls State Tournaments.

D. Teams formed for the purpose of post-season play, regardless of age division, can not be registered or sanctioned prior to the completion of the MH regular season. Players shall not be contacted regarding participation on these teams during MH-sanctioned

II. REGISTRATION

A. The USA Hockey and MH Player Registration fees and dates shall be set on an annual basis by USA Hockey and the MH Board of Directors. These fees and dates are published on the inside front cover of the MH handbook.

B. No player shall be registered with two or more MH/USA hockey teams at the same time regardless of league division or classification, except:

1. That this provision shall not apply to players of a city house team who may play with both their team and a city traveling team.
2. That this provision shall not apply to female youth age players who may register on both a youth C or house team and also register with a girl's A or B team for the purpose of practice, exhibition games, league games and tournament competition including the USA Hockey National Women's Tournament. This exception should not be construed to dissuade an Association from starting a girls program at any age level.
3. Special Events approved by the MH Board. Such events must comply with requirements established by MH, and must be on the Winter Meeting agenda at the latest, according to the Bylaw requirements for putting items on the agenda. Approval of Special Events shall be by 2/3 vote.

Any Native American who has a Certificate of Indian Status is also eligible to compete.

D. AGE DIVISIONS - Teams are to be formed observing the established age divisions. Players on teams shall follow the age range established for the division. Each association shall have a policy on whether players are allowed to play up to the next division and the conditions which apply. Players waived to another association are not allowed to play up. Two-thirds (2/3) of the players on a team must be within the age division in which the team is registered. Exception: In cases of low player numbers, players from multiple age groups may be combined on a single team, if necessary, with the approval of the cognizant District Director and the USA Hockey Minnkota District Registrar.

E. AGE CERTIFICATION - Government issued (state or county) birth certificates or passport must be presented by a team for all players for inspection by the proper authority at the time of player registration and prior to each district, regional and state tournament.

IV. PARTICIPATION

A. PARTICIPATION POLICY - MH is a community-based amateur hockey program. Members in good standing are to participate on teams from their local affiliate (local association) based on where they attend school and the established MH affiliate boundaries as defined in the Affiliate Agreements. Mite-aged players are allowed to participate based on residence.

B. PARTICIPATION RULE:

1. Youth Hockey players must play within the affiliate boundaries as defined by MH. If a player desires to play on a team outside of the player's affiliate boundary, the player must obtain written permission (waiver) from the president of governing body of both the releasing and receiving organization and receive the approval of the responsible district director(s). A player that participates without a necessary waiver

is considered an ineligible player. Refer to the Section entitled Eligibility Provisions. A waiver must be obtained before a player can participate outside their affiliate boundary. A player that registers or participates with their affiliate cannot participate with any other affiliate without a waiver.

2. Starting with the 2009-2010 season, Affiliate Participation for Squirt-aged players and above is redefined as players attending school in the Affiliate's geographic area, rather than those who are residing in the Affiliate's geographic area.

- a) Mite-aged players may choose to register in either their Affiliate of School Attendance or their Affiliate of Residence.
- b) For school districts with multiple High Schools and multiple MH Affiliates, participation for Squirt-aged players and above shall be defined by one of the following:
 - i) A player attending an elementary, middle or junior high school whose geographical attendance area is completely within the geographical attendance area of a single high school is a member of the MH Affiliate covering that high school's area.
 - ii) A player attending an elementary, middle or junior high school whose geographical attendance area overlaps the geographical attendance areas of multiple high schools is a member of the MH Affiliate covering the location of the residence of the player's parent(s) or legal guardian(s).
- c) Changing Schools; A player who newly enrolls in a school outside of the geographic boundary of their current Affiliate without a corresponding change of residence shall elect one of the following:
 - i) Retain full eligibility to compete at any classification in their Affiliate prior to the new school enrollment for one (1) year beginning with the first day of attendance in the new school, after which time the player shall become fully eligible in their Affiliate of School Attendance; or
 - ii) be eligible at the "B" classification or lower in their new Affiliate of School Attendance for one (1) year beginning with the first day of attendance in the new school.
- d) For the 2009-2010 Season, players that participated in their Affiliate of Residence for the 2008-2009 Season but attended school elsewhere will be given a one-time choice to continue participation in their Affiliate of Residence. This alternate participation determination will continue through that player's Youth or Girls' Hockey career unless the player moves outside of their Affiliate of Residence geographical boundary, at which time school attendance will be used to determine Affiliate participation.

3. A player who is denied a waiver by his/her affiliate may appeal in writing to the responsible District Director who, after investigation, will issue a ruling. The decision of the District Director is final. Also see Section entitled Eligibility Provisions.

4. Players having dual citizenship, one being the United States, must also conform to

the Participation Rule.

V. ELIGIBILITY PROVISIONS

A. Any team found to have an ineligible player that participates in any MH sanctioned competition will be suspended from MH District, Region and State Tournament play for the current season. This suspension may be reviewed by the cognizant District Director to determine if the severity of the suspension is appropriate and a less severe penalty may be imposed if the facts so dictate.

B. Any high school hockey player who participates with their high school hockey team beyond December 31st shall not be eligible for MH sanctioned teams during the balance of the playing season, except as provided for under the Girls 19 & Under Pre-season/Post-season Limited Affiliate Agreement. Refer to the Minnesota State High School League rules for future High School eligibility.

C. In the Junior Gold and 16 & Under Division a player must have played 5 games before January 25th in order to be eligible for participation in District, Regional and State playoffs.

VI. TEAM COMPOSITION

A. The maximum number of players on a team roster is twenty (20). The maximum number of players from that team who can dress as skaters for a single game is eighteen (18). The maximum number of players that can dress for a single game is twenty. *Exception:* In situations where a player(s) would be denied the opportunity to participate, teams may roster over twenty (20) players to a maximum of twenty-three (23) with the approval of the cognizant District Director and USA Hockey Minnkota District Registrar. Such rosters will be approved only at the lowest competitive level the particular association offers. A maximum of eighteen (18) skaters and total of twenty players may dress for each game. Rostered players in excess of the dressed limit are not allowed on the players bench. Further, such rosters must be reduced to a final set of twenty (20) players for District, Region, State and National tournaments if the team is participating at a level in which MH teams compete in the USA Hockey National Tournaments.

B. All teams shall register and roster at least one adult coach. A rostered coach must be

present at all scheduled team events.

C. It is recommended that each team in the state and regional tournaments dress two goalies. If the team does not have two goalies, a spare goalie may be chosen from a team in its league or association, and such a “spare goalie” may be chosen from the same or a lower but not higher playing classification.

1. If a “spare” goalie is not available from with a teams league or association, a “spare” goalie may then be chosen from among the teams in its district , or failing the above, from its regional.
2. Such a “spare” goalie may play ONLY in the case of injury to the regular goalie.
3. The “spare” goalie shall wear the appropriate light or dark jersey of the in-season team on which they are rostered.
4. The “spare” goalie would retain their eligibility with their parent team or organization at their original classification for the balance of the playing season whether or not they actually plays in the tournament in question.
5. The “spare” goalie must be properly registered on a registered MH team for the season in question to be eligible to participate in a regional or state tournament. Proof of registration, such as a copy of their parent team’s registration roster will be required during tournament check-in. NOTE: The objective of the rule is to allow a team to obtain a back-up goalkeeper during regional and state MH play. The rule is not intended to permit teams to improve their goaltending through drafting of an additional player.

VII. LEVELS OF PLAY

A. "Divisions" means Mite, Squirt, Peewee, 10&Under, 12&Under, Junior Gold, etc.

B. "Classifications" means A, B, C, House, etc.

C. In order to encourage the development and expansion of hockey within the State and to provide for uniformity of competition for the purpose of obtaining those goals, all youth hockey shall be divided into four competitive levels as herein provided. It shall be primarily the responsibility of each district director to maintain the integrity of each level within his/her district.

“A” The highest competitive classification, essentially a development program designed to enhance team and individual skills. MH will provide for the district, regional and state tournament competition at this classification. Every association shall have the right to enter teams in the A classification.

“B” The intermediate competitive classification, also essentially a development classification, but primarily intended to provide a uniform competitive experience for smaller communities and weaker programs that are not able to compete effectively at the A classification. Every association that has an A classification team shall also have the right to enter teams in the B classification.

“C” The lowest competitive classification essentially a recreational program but also intended as an entry classification for new communities and programs in order to provide a good competitive experience until they are ready to advance to a higher competitive classification. There shall be no regional or state tournaments at the C classification. All associations that have teams in A or B classification competition shall also be entitled to enter teams in the C classification.

HOUSE: Similar to the “C” or recreational classification, but limited to an “in-house” program. (Teams do not participate in any way outside of their home association.)

D. Interlevel Play — There shall be no interdivision play (games or scrimmages) between divisions (i.e. Peewee vs. Bantam, 14U vs. 12U) or between classifications (A and B, B and C or A and C teams), with the exception of Youth 16&Under and Junior Gold B. In special circumstances where interlevel play between classifications is appropriate, approval of the cognizant District Director(s) must be obtained. Interdivision play is not permitted in invitational tournaments or MH playoff tournaments. Teams violating this provision may be declared ineligible to compete in any MH sanctioned invitational tournaments and the MH district, regional and state tournaments for the current season, and, in case of flagrant violations, for such further period of time as the district director shall deem appropriate. House classification and city recreational classification teams must be registered as C teams if they intend to play other teams outside of their hockey community. District Directors may permit a B or C classification team from small cities or newly developed programs to play in a higher classification league if there is no comparable classification league available.

E. Classification by District Director — It shall be the responsibility of the district director to review and finalize the classification of all teams. Each association shall submit the proposed classification for each team to the district director prior to November 15th.

F. Appeal — The District Director decision may be appealed to the Gold or Maroon Coordinator whose decision shall be final.

G. MH does not permit Mite Tournaments nor does MH permit Mite teams to participate in out-of-state tournaments. MH strongly encourages the skill level development of all players and especially at the entry division. This division player will play within their district and/or their natural hockey community only except the District Director shall, for convenience or to maintain continuity, permit a team to play in their natural hockey

community as defined by the District Director. The District Director's decision is final.

H. SQUIRT TRAVELING HOCKEY

MH strongly encourages the skill development of all players especially in the entry divisions. Therefore, the following is effective for the Squirt division.

1. No league standings shall be kept.
2. Limit games (including league, scrimmage and tournament games) to a maximum of 35 per season. Each game played in a tournament shall be counted as one game. Controlled scrimmages count toward the total of 35, but must meet the definition of a controlled scrimmage as outlined in the paragraph in the Playing Rules section entitled "Exhibition Games and Controlled Scrimmages".
3. A three to one practice to game ratio shall be supported by all associations.
4. A and B squirts must be allocated an equal quality and number of ice hours.
5. The above policies will be monitored by each local association and district. Failure to comply will result in sanctions against the respective association as determined by the MH.
6. There shall be no region or state tournaments at the Squirt division.

VIII. PLAYING RULES

The playing rules in this section apply to all games unless modified elsewhere in these rules.

A. USA Hockey playing rules as modified by MH shall be used.

B. The length of periods during regular season play shall be at the discretion of the individual leagues and teams in all divisions. (NOTE: Time requirements for District, Regional and State tournament play — MH Youth Rules and Regulations entitled "District, Region and State Tournament", "Playing Time".)

C. Jewelry shall not be worn except for religious or medical needs. Medals shall be taped to the body under the uniform so as not to remain visible. Penalty: first offense, a warning. Returning to the game without correction: Game Misconduct.

D. At the Junior Gold and 16 & Under divisions, the "tag-up rule" as described in the USA Hockey Adult Rules shall be used.

E. The penalty for fighting in the Junior Gold and 16 & Under division for the first offense will be the remainder of the game plus 3 games. For a second violation the player
