Tournament Update (Chris Carlson)

All teams are registered for Tournaments with the exception of U14B. One Squirt B team was accepted into the Fargo tournament. A coin toss was used to determine which team would go to Fargo.

Mite Update (Dave Kisch)

The Mite Parent meeting was held and was well attended.

Girl Mite numbers continue to improve. 30+ Mite girls are registered.

Numbers discussed and the coach selection process. Need additional coaches at the Learn to Skate level.

Equipment packages are setup through Westwood.

Fundraising (Brandy Koster)

Majors has closed and we are looking at alternative options for a food based fundraiser similar to the Spaghetti dinner. We intend to do the Raffle fundraiser at a TDB location.

Squirt C (Matt Johnson)

Discussed expanding scheduling of games beyond Apple Valley and Eagan to encompass a wider range of Associations.

Girls Program (Ann McNamara & John Pellicci)

Discussed challenging U14 numbers and upcoming HS tryouts.

Small Team sizes are challenging so we are leaning toward one large team (16 skaters and a goalie). There are pros and cons to playing U14A versus U14B.

U10 & U12 Game Draw is Thursday

Girls Tournament volunteer opportunities posted

Gambling Update (Teri Lynn Chesek)

Charitable Gambling update provided. Financials circulated. Due to Majors closing we are looking for alternative establishments for our pull-tab stand.

Hockey Operations & Equipment (Mike Kelley & Jim Reller)

Goalie development will be provided by Goal Crease and will be evaluated closely for future changes.

District 8 update (Steve Johnson)

Steve provided an update from the D8 Rep meeting in September.
